

Paul Ryan

Paul Ryan is a nationally recognized home improvement expert. He's currently the host of DIY Network's popular "Kitchen Renovations" series and has been seen on Food Network, TLC and HGTV. He is the author of "Weekend Kitchen Makeovers," available at retailers nationwide. Paul also serves as a spokesperson for the Dremel brand on the subject of home improvement and repairs.

A native of Minneapolis, Paul is a licensed contractor and has more than 30 years of experience as a skilled carpenter, plumber, handyman and storm damage expert. He is a pro in virtually every aspect of handyman work and home improvement. His skills demonstrate his ability to troubleshoot problems and figure out how to fix them fast and fix them right.
